

Technical Information

The technical information in this website has been prepared in accordance with the Canadian regulatory requirements set out in National Instrument 43-101 and reviewed on behalf of the company by Raymond Ashley, P.Geo. President and COO for F3 Uranium Corp., a Qualified Person.

Terms and Conditions of Use

By accessing the www.F3uranium.com website (the "Site"), you are agreeing to be bound by these terms and conditions together with any applicable laws and regulations, and agree that you are responsible for compliance with all applicable laws. If you do not agree with any of these terms, do not use this Site.

F3 Uranium Corp. ("F3 Uranium") may revise these Terms of Use at any time without notice. By using this Site you are agreeing to be bound by the then current version of these Terms of Use.

Unless otherwise stated, all information, materials, photography, images, designs, layouts and programming code ("Content") of this Site is owned exclusively by F3 Uranium, all rights reserved and is protected under applicable copyrights, patents, trade-marks and/or other proprietary intellectual property rights. All trademarks are the property of their respective owners. F3 Uranium hereby grants you a non-exclusive, non-transferable, limited licence to view or print the documents appearing on this site without alteration, for personal, non-commercial use only. Under no circumstances will you acquire any ownership rights or other interest in any Content by or through your use of this Site.

In the event that any or any part of the terms contained in these terms and conditions shall be determined by any component authority to be invalid, unlawful or unenforceable to any extent, such term shall, to that extent, be severed from the remaining terms which shall continue to be valid and enforceable to the full extent permitted by law.

Forward-Looking Statements

Statements contained in this website include forward-looking statements. Forward-looking statements address future events and conditions which involve inherent risks and uncertainties. Actual results could differ materially from those expressed or implied by them. Examples of forward looking information and assumptions include future estimates of the worldwide supply and demand for uranium and the effect that these changes could have on the short term and long term price of uranium on the world markets.

In some cases, forward-looking statements can be identified by terminology such as “may”, “will”, “should”, “expect”, “projects”, “plans”, “anticipates” and similar expressions. These statements represent management’s expectations or beliefs concerning, among other things, future operations and various components thereof affecting the economic performance of F3 Uranium. Undue reliance should not be placed on these forward-looking statements which are based upon management’s assumptions and are subject to known and unknown risks and uncertainties, including the business risks discussed above, which may cause actual performance and financial results in future periods to differ materially from any projections of future performance or results expressed or implied by such forward-looking statements. Accordingly, readers are cautioned that events or circumstances could cause results to differ materially from those predicted.

Limitation of Liability

F3 Uranium is not liable for any direct, indirect, special, incidental or consequential damages arising out of the use of or the inability to use this Site or its Content, whether based on breach of contract, breach of warranty, tort (including negligence), product liability or otherwise. This includes but is not limited to the loss of data or loss of profit, litigation or due to business interruption, even if F3 Uranium or an authorized representative was advised of the possibility of such damages. The negation of damages set forth above are fundamental elements of the basis of the agreement between F3 Uranium and all Site users. This Site would not be provided without such limitations.

Links

This website contains links to information on other websites and is linked to by other websites. F3 Uranium has not reviewed all websites linked to or from this Site and is not responsible for the contents of any such websites. The inclusion of any link does not imply endorsement by F3 Uranium of the linked website or its content. Use of any such linked website is at the user’s own risk.
